Participation in Financed Research Projects

2018-19: AToMMiC (Aid and Training for Multiliteracy and Multimodal Competence) Principle investigator 12 month national funding 8000 euro

2016-2019 Plurilingualism in Healthcare, research and a teaching unit on effective multilingual communication (workshops on writing and translation) (2016-2019). The project had an outcome on science dissemination, in the platform HFVG Healthcare in Friuli Venezia-Giulia (2019-). <https://hfv.uniud.it/>. This is a trilingual Italian-French-English website dedicated to disseminating the operation of Friulian health services. It is the result of a strategic project of the Department of Foreign Languages (DILL) started in 2016, which saw an active collaboration with the Department of Mathematics (DMIF). It was selected in the Uniud XL offer of the European Social Fund, and has seen the commitment of several classes of students and tutors in Udine and Gorizia.

2017-2019: MACHETE Multiliteracy Advances and Challenges in Hypermedia English Teaching Environments 24 month national funding 37000 euro

2017-19: Mediazione linguistica del conflitto e negoziazione del consenso in contesti interculturali 24 month national funding 14500 euro

2017-19: Comunicazione e Plurilingue Efficace, 24 month national funding 18000 euro

2010-2012: ACT – Access through Text- MACE -Multimodal Awareness for Children's Empowerment. National 24 month funding 138.399 euro

2005-2007: EXPerO – Expectations and perceptions of quality in VET. European 24 month funding

2000-2002: CERCLU - The AICLU project for Linguistic Competence Certification. National 48 month funding

Professional and Scientific Association Membership:

2001 to present: member of A.I.A. (Associazione italiana di anglistica) [Italian Association of English Studies].

2001 to present: member of BAAL (British Association for Applied Linguistics).
